In our view, compensation beyond what is necessary is not a good use of limited company resources and can be in indicator or lack of effective governance.[RemunerationUS7]
02/09/2026	Alimentation Couche-Tard, Inc.	Annual	Against	2.162.356	Concern that the director has insufficient time to dedicate to their directorship, particularly at times of heavy demand for board oversight, taking into account other commitments including relevant board, executive and other formal positions.[DirectorElection1] Concerns related to indicators of a lack of detailed succession planning, which in our view is an important driver of long-term effective governance at times of transition of board membership.[BoardStructure6]. Concerns related to board composition and the balance of skills, experience and range of industry and sector experience which generally contribute towards good governance across different types of issues that must be addressed by the business over time.[BoardCompositionUS1] Shareholder proposal seeks to protect and, where appropriate, advance shareholder rights on behalf of institutional investors.[ShareholderProposal9] Shareholder proposal would result in material additonal disclosures that would be decision-useful to investors and would be an efficient use of company resources.[ShareholderProposal10]
16/07/2026	Advanced Drainage Systems, Inc.	Annual	Against	1b3	Concerns related to the governance of executive compensation due to repeated incidents of development of remuneration proposals which appear insufficiently aligned to long-term value for the company and for shareholders.[Remuneration5] Concerns that remuneration policy design is insufficiently aligned to long-term shareholder value, based on the lack of a sufficiently effective clawback policy in the event of cases of fraud, material financial misstatement, conduct or reputational issues.[Remuneration10]Concerns that remuneration is insufficiently aligned to long-term shareholder value, based on performance share units being granted which vest over a relatively short time-scale of less than 36 months.[Remuneration13]Concerns that overall compensation for the CEO is inappropriately high relative to other Named Executive Officers. In our view, compensation beyond what is necessary is not a good use of limited company resources and can be in indicator or lack of effective governance.[RemunerationUS7]
22/07/2026	Constellation Brands, Inc.	Annual	Against	1c	Concerns related to board composition and the balance of skills, experience and range of industry and sector experience which generally contribute towards good governance across different types of issues that must be addressed by the business over time.[BoardCompositionUS1]
