

Graduate Trainee

Salary: £22,000

Based in the Midlands (Wolverhampton)

LGPS Central Limited has been established to consolidate and manage the pension fund assets of eight Midlands-based local government pension funds.

We are now looking for a number of Graduate Trainees to join our Company, rotating through various departments. Based in Wolverhampton, the successful candidates will work closely with various stakeholders ranging from external Clients to internal Portfolio and Operational Managers.

Graduate Trainees will learn how to operate in both the back and middle offices as they rotate through different asset classes and strategic functions. Tasks are varied, and will include meeting with external clients, giving presentations to stakeholders, and researching global markets amongst other things.

As a Graduate Trainee you will follow a structured and comprehensive training programme which will develop your personal and technical capabilities, with an aim to secure a permanent position at the end of the Graduate Programme.

Applicants should be qualified to degree level with a 2:2 or above. Training will be undertaken during the 24-month placement, with applicants initially completing the Investment Management Certificate (IMC). A full role profile is attached.

Full details on the role, benefits and Careers at LGPS Central Limited please see the website: www.lgpscentral.co.uk

If you are interested in applying for this position, please complete the Equality Monitoring Form with your full CV and a covering letter, highlighting your motivation for joining an investment management firm and send this to recruitment@lgpscentral.co.uk

If you have any further questions on our Graduate Scheme, please email your query to the address above or contact Bex Gerrard at Bex.Gerrard@lgpscentral.co.uk

About LGPS Central Limited

LGPS Central Limited is a fund management company, regulated by the Financial Conduct Authority (FCA), managing the pooled assets of nine Midlands-based local government pension funds.

With combined assets of approximately £45bn and representing the retirement savings of approximately 1 million scheme members across over 2000 employers.

LGPS Central Limited is owned equally by the pension funds and is dedicated to the management of local government pension assets. The aim of the Company is to use the combined buying power of its Partner Funds to reduce costs, improve investment returns and widen the range of available asset classes for investment – all for the benefit of local government pensioners, employees and

employers. We are also committed to fully integrating Responsible Investment and Engagement into all our investment processes.

We are a diverse and inclusive employer and would welcome interests from all sections of the community.
