

**Legal, compliance and Risk Team**

**Salary from £50,000 plus**

**Based in the Midlands**

LGPS Central Limited has been established to consolidate and manage the pension fund assets of nine Midlands based public funds.

We are looking for an experienced person to join our Legal, Compliance and Risk team based in Wolverhampton. The successful candidate will report to Chief Officer for Legal, Risk and Compliance.

The Compliance Manager will have responsibility to ensure the effective and efficient workings of all aspects of compliance function. This senior position will lead, manage and direct a team in the delivery of excellent service to internal and external stakeholders and clients. The role takes responsibility for the Compliance Framework.

This key role will have considerable influence in shaping the nature of the compliance framework of LGPS Central and will be able to make a substantial contribution to ensuring that the regulatory requirements of the Company are met.

The ideal candidate will hold a relevant investment industry or compliance related qualification as well as knowledge and experience in the financial industry. You will be expected to continuously update your learning and knowledge in post.

The full job description is attached with further details on the role.

If you are interested in applying for this position, please send your CV with a covering letter, demonstrating why you have the skills to perform this role to [recruitment@lgpscentral.co.uk](mailto:recruitment@lgpscentral.co.uk)
